

How can I help Ukraine?

Spoko – is a mobile app for instant money transfers from EU and the UK to Ukraine to any bank cards (PrivatBank, Monobank, Oschadbank, Alfa Bank and others). Spoko offers great exchange rates to hryvnia and instant delivery speed (up to 1 minute).

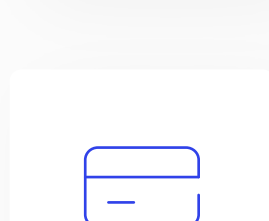

We support the citizens and refugees of Ukraine in this difficult situation, so we **canceled** commissions and fees for **ALL TRANSFERS** to Ukraine. Service operates 24/7 regardless of holidays and days off.

How can I help people in Ukraine?

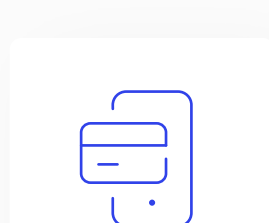

With Spoko you can make money transfer and help your family, friends or any individuals who are in need of money right now.

You can also fund your own Ukrainian bank card through Spoko to further pay bills, loans, utilities, etc. To send funds you only need to know the name, surname and number of recipient's card. Registration in the program takes a few minutes.

You can send money from 25 EU countries (including Poland, Germany, Italy) in currencies: PLN (Polish zloty), EUR (euro), GBP (British pounds sterling) or SEC (Swedish krona). The money is received immediately in hryvnia at an advantageous exchange rate.

You can pay by debit/credit card, BLIK, Apple Pay, Google Pay, Sofort.

How do I make a money transfer?

To get started:

Download the Spoko app from Google Play, Apple Store or Huawei AppGallery.

Register your account by linking it to your phone number, and shortly after You will receive a text message with a code.
