Spoko.app is a website and app designed for ambitious people who deserve better financial services. We are an online money transfer service for expats, where they can send money home from the EU to 50+ countries in a smart, cheap and secure way. We have a great customer base of Nigerians, who live in EU and we are looking for a person who knows their habits and interest and wants to become a part of our social media team members to create innovative, engaging and fresh content for our best customers.

Your must-haves:

- > A knowledge of and an interest in Nigerian lifestyle, politics, fashion, sports and other fields of entertainment.
- > A knowledge of and an interest in Nigerian Expats lifestyle in European Union.
- > Creativity and the ability to develop original content, that provokes engagement.
- > Outstanding written and verbal communication skills, as well as perfect grammar and command of the English language.
- > Access to the internet, laptop.

Your tasks:

- > Creating content, including text posts, video and images for use on social media (instagram, YouTube, tiktok).
- > Experience of working with graphic designers, copywriters.
- > Interacting with customers and dealing with customers' enquiries.
- > Being a social media community manager, answering DM messages and comments.
- > Brainstorm with team members to develop new ideas.

If you think that you are a best person to fit our team - please showcase your previous works with links to them. Or just include your case studies in PDF.
